Yacht charter Croatia Sunseeker Predator 58 - Trogir - Split

The Predator 58 designed and built by Sunseeker International achieves both luxury and high performance. At sea this yacht offers flexibility in supreme comfort and its striking lines are the envy of other yachts. She is a yacht for those who truly know how to live with style.

The comfortable air-conditioned accommodation consists of a lounge and dining area with a galley, one double VIP state room and one twin cabin, both with en-suite facilities, all luxuriously appointed in leather, satin finished cherry wood and alcantara suede. The fine detailing extends from integral ice-maker to the range of hi-fi and DVD equipment on board.

The two sundecks and covered cockpit area, to give protection from the sun, afford excellent views of the dramatic scenery. A wealth of watersports can be enjoyed from the stern bathing platform and the jet tender housed in a stern wet garage.
