Lagoon Power 44 motor cat yacht charter Croatia

The Lagoon Power 44, a new model available for charter in Croatia for the 2006 season. This well-equipped and luxurious motorized catamaran provides maximum comfort for the owner and guests.

A particularly convivial new Fly bridge: Three people can sit at the steering station in individual chairs; up to six people can sit comfortably around the table; people can relax on 2 sundecks, one of them in the shape of a lounge chair to the left of the helm station and the other to the rear of the table seating area; For safety at sea, the Fly bridge access can be closed.

The helm station can include: an instrument console capable of displaying two 12" screens, an autopilot remote, a compass, a VHF radio, two engine panels (tachometer, fuel gauge, alarms), engine throttle controls, horn button, windlass remote control, a plexiglass covered recess for charts, cup holders, glove box...

The comfortable seating includes numerous storage compartments. Next to the flying bridge table, a bar cabinet can house an (optional) fridge or storage. Among the three pilot area seats, the new captain's seat is adjustable fore and aft and features a large storage drawer beneath it. Windshield handrail will be installed...and not forgetting the new mast carrying the antenna the radar and the horn. Salon is equipped with a lounge sofa and directors' style foldable chairs. The salon table can either be a coffee table or a dining table, it can be moved to the cockpit area.

The interior steering station is now equipped with a Besenzone adjustable seat and designed for best integration of electronic equipment.
