Sunreef 62

Catamaran charter Spain - America' s Cup Valencia - Luis Vuitton Cup charter with NYC

“Guapa” Sunreef 62 - semi-owner version, is absolutely unique regarding its interior design fresh, innovative and extremely personalized. She is the first catamaran, in Sunreef range, in minimalist, but extravagant, style with bright colours to accentuate severe yet stylish shapes. The unusual colours mixture is based on three main tones: garish green, strong Wenge and smooth Maplewood.

Guapa can comfortably accommodate 8 guests in 4 double cabins. She has one master suit with bathroom, separate shower, desk and sofa and three double cabins with private bathroom and desk. All cabins and the living room are fully air-conditioned and equipped with a top quality Hi-fi system from Bang & Olufsen, DVD players and LCD TVs.

Outside we can admire a magnificent cockpit with optical fibres lights and flybridge pillars in stainless steel with special UV lights. The platform at the stern enlarges the surface of deck and enable the guests to snorkel, fishing or bathing directly from the boat, not to mention that it provides a wonderful view over the sea. There are also four submarine halogen lights.
