

CNB Marina II

Length:	64 ft (19.81m)
Beam:	17 ft (5.26 m)
Draft:	8 ft (2.47m)
Built:	2000
Shipyard:	CNB France
Cabins:	4
Passenger Capacity:	8
Crew:	2+1
Speed:	9.00 Knots

Marina II, built by CNB, Beneteau Group, available for yacht charter Greece, blends the talents of naval architect Bruce Farr and designer Pininfarina. Utilizing a shoal draft winged keel, she offers an ideal blend of spirited performance and shallow water accessibility. Fully air conditioned and with a lovely teak interior, she offers accommodation for 8 guests in four double cabins each with en suite head. The deck is designed for maximum comfort. The forward guest cockpit is completely separate from the aft sailing cockpit; all lines, winches and other sailing equipment are removed from guest areas. This completely frees the forward cockpit for sunning, lounging, casual dining and other relaxing activities. Marina II is a remarkably high performance sailing yacht of unequalled comfort and exceptional elegance and grace.
