Built by the famous Dynamique Yachts shipyard, sloop, AMADEUS, based in Marina Alimos Athens, is a fine example of good quality craftsmanship. Superb sailing characteristics are complimented by her spacious interior and abundant deck space. AMADEUS is the perfect yacht built for smooth sailing. Her experienced crew looks forward to welcoming the most discerning charterer onboard this magnificent sailing yacht.

Dynamique Yacht, Amadeus is a 110 foot sailing yacht for charter that can accommodate 10 passengers in five tastefully appointed en-suite cabins. With one large master stateroom and four additional cabins which are all air conditioned and have en suite bathrooms. Each stateroom is fully equipped with an entertainment center. There are two separate salons and a full dining room. The aft deck is fully covered and has seating for all guests to dine outdoors. Forward of the cockpit is a lovely cushioned area for sunning. The fore deck has an unusual pool on deck and swimming in the sea is made accessible by a large swim aft platform. The spacious owner's cabin forward features a double bed, a vanity unit and generous stowage facilities, as well as an entertainment unit incorporating a TV, DVD and stereo music system with CD player. The en-suite bathroom includes a shower and separated large bath.

Additionally there are three double en-suite crew cabins.
