Monte Carlo 47 FLY

Yacht charter Croatia with Monte Carlo 47 FLY, perfect motor boat for smaller family charter in Adriatic cruising.

MonteCarlo range Pierangelo Andreani has drawn a very beautiful new design in true Mediterranean style with features to suit every taste and need. The overall layout of the MonteCarlo 47 Fly offers two very special living spaces: the cockpit and the luxuriously-appointed flybridge.

The flybridge incorporates two distinct areas: the helm station and the convertible 6-person saloon. The driver's seat is on the centreline of the boat, and the instrument panel features a full duplicate set of navigation instruments. To the left is the co-driver's seat, and to the right a large lounge-style sunbathing platform with a pullout fridge beneath. Behind is the spacious saloon with bench seating and full backrests for at least six diners.

For safety, access to and from the flybridge is fully protected. Lastly, the visually-appealing arch carrying the radar and antennas is raised for even greater comfort.

With its external galley unit, the enormous cockpit is big enough for all the crew to relax together. The external saloon converts into a sunbathing platform. The interior is entered via a wide 3-panel glazed door. The tender garage beneath the cockpit is so large that the outboard can be left in place. The generous aft sunbathing platform offers convenient and safe access to the water.

Yacht can accommodate 6 guests in 3 cabins and salon.
