Croatia yacht charter sailing

Perfect for family cruising in Adriatic, this range sets new standards of comfort at sea. It was designed this yacht specifically for the yacht charter, therefore all the five double cabins have en suite heads with separate showers. Real innovations can be found aboard, as much on deck as in the cockpit, or in the living accommodations. Three areas where you are overwhelmed by the quality and the high level of finish which transform life aboard into sheer pleasure. Though the architecture has allowed large volumes and very spacious cabins to be created, its hull shape remains in proportion, enabling sailing performance levels worthy of a real sail yacht...
