### Pershing 90

Yacht charter Croatia on board Pershing 90 from Split. Yachting with Style !

What typifies the Pershing 90' is her unquestionable sporty nature. Her speed is expressed by a specially designed hull, by the 2 x MTU 2435 HP (Arneson (ASD 16L ) and by the surface propellers which discharge most of this power enabling the yacht to sail at a maximum speed of 44 knots controlled by state-of-the-art operation and navigation equipment.

Pershing 90 can accommodate 8 guests in 4 cabins. Two double and two twin. All cabins are on lower deck.

The Master Stateroom is full beam with en suite bath and is equipped with flat screen LCD TV, DVD, HiFi. The master stateroom is aft, with the double bed laid diagonally just like the etched glass pane separating the suite from the bathroom that includes two crystal glass sinks, an ample shower stall and separated toilet and bidet.

The VIP stateroom offers a queen size bed with storage draws under. A built in leather bench seat and night stands are on either side of the bed. Two guest cabins are fitted with one twin bed. Each cabin aboard the Pershing 90 has a bath with a shower.

Pershing layout also includes an aft swim platform so called : 'mini beach'—virtually at sea level on the aft. Pershing 90 represents a fantastic motor yacht, ideal for cruising the coasts of the Croatia and Montenegro.

The cockpit is well connected to the saloon - separated only by a tempered glass door - and features a settee, a large table, a chaise-longue and cabinets including ice-maker and barbecue.

The garage in the aft of yacht has jet tender and Jetski. It can be opened without troubling those laying on the sunpad and launching and hauling are facilitated by the aft platform which can be lowered to water level.
