Galaxy Benetti

Yacht charter Mediterranean on board luxury yacht Galaxy Benetti - Five Stars Charter Services - State of The Art Mega Yacht

Designed for the owner and his family, she was also designed for selective charter – Galaxy is Lloyd's and MCA classified yacht. Galaxy's accommodation plan includes her luxe owner's suite on the main deck, the VIP stateroom on the upper deck, two double staterooms, and two twin cabins plus Pullman berths on the lower deck, for a total of 14 guests.

There is a fully equipped exercise gym, a Jacuzzi. GALAXY has an elevator running the lower deck guest from lobby all the way up to the sun deck. The lift carries four people at a time, and the shaft being in glass, tends to act as an atrium, carrying light through the heart of the yacht. The lift to the sundeck is built into the gymnasium.

The dining experience aboard of Galaxy can be as formal or just party pleases. On the upper deck Sky Lounge an exciting concept in dining offers a large glass paneled dining room with a circular dining table. Glass panels slide open to provide a 180-degree view of the vast seascape. The dining table seats 8 to 14 in complete comfort. There is also double screen entertainment; a 42" plasma screen, plus a 77" retractable screen with projector for home cinema.

Below on the main deck, access to the Owner's suite is through the main lobby. The center features a king-size island berth with bed tables, and full length mirrors lining both sides of its dressing rooms hallway. A plasma 42" TV screen slides out from a starboard panel, to face the bed.

Two queen-bed staterooms are spacious, they are located amidships on the lower deck, forward of the twin cabins; easily accessed via the elevator or main staircase. Just forward, four to six guests can be lodged in two double cabins with twin beds and Pullmans. Each has a 26" plasma TV/DVD and a music center.

Technical Specifications :
