<b>Built:</b>	2006/07/8
<b>Shipyard:</b>	Jeanneau France
<b>Cabins:</b>	4
<b>Passenger Capacity:</b>	8
<b>Crew:</b>	Skipper
<b>Speed:</b>	13.00 Knots

Jeanneau Sun Odyssey 54 DS Yacht charter Croatia

Available from : Split, Trogir, Biograd, Dubrovnik

The main saloon is huge with full-length overhead handholds. The designers have maximized the beam by pushing the interior components outboard. The result is an airy, spacious saloon with sumptuous settees and elegant chairs rimming a lovely teak table to starboard and a minibar to port. The trade-off is in storage; for a 54-foot boat, storage is only adequate, especially considering the bulky items that passagemaking requires. Nice touches including foldaway shades, recessed halogen lights, superb ventilation with 12 opening hatches, lateral overhead windows for natural light, and even a handy coffee table contribute to the overall ambiance. The C-shaped galley is to port of the companionway, but beware of the step down. There's plenty of counter space, more than in most small apartments, and it's encircled by a handsome fiddle. In true French style, most of the amenities for preparing great meals are standard. You can access the large 12-volt refrigeration/freezer from the top or through a front-loading door. There's a stainless-steel microwave and a four-burner stove/oven with a crash bar that can also support a harness. Food storage is outboard, in decent-sized lockers, while the cutlery is housed in drawers below the sink.

The nav station is opposite the galley. The curved seat keeps the navigator on an even keel when heeled. A once-folded chart can be spread on the wraparound nav table that also has a cutout for a laptop. The electrical panel is outboard, and there's room for repeaters. Wiring looks tidy and is well labeled, albeit in French. A deep wet locker is located behind the nav seat. Access to the house batteries is beneath the floorboards between the galley and nav station. The electrical system includes both 12- and 24-volt systems (for the bow thruster and if the headsail furling is powered up) and 220 -volt shore power as well. Most of the heavy equipment, the watermaker, generator, and tanks, is centered over the keel and positioned as low as possible. With its four + one cabin and experienced skipper is a first class yacht charter Croatia choice for nautical holidays in Adriatic.

### Technical Specifications:

Built : 2006/07 and 2008  
Yard : Jeanneau France  
Length :16.75 m  
Beam : 4.87 m  
Draft : 2.20 m  
Canvas size (m2):190  
Engine:100 PS  
Heads:4  
Water tank (l): 0 - 930  
Fuel tank (l): 0 – 410  
Cabins: 4 + Salon + Skipper  
Berths: 8+2

### Accommodation /Equipment
