### Catamaran Lagoon 500 Greece

Catamaran Lagoon 500 is the latest addition to our charter offer in Greece. Two catamarans are available for charter in Greece on bareboat or skippered basis - Lagoon 500 - built : 2006, 2007 and 2009.

The Lagoon 500 was designed by Marc Van Peteghem and Vincent Lauriot Prevost, who have won a record number of awards for multiple-hulled boats (in 2004, boats they designed won the four first places in the famous English Transatlantic race), and benefits from the latest developments in naval architecture. Its speed and handling at sea promise to be outstanding: the Lagoon 500's excellent performances under sail augur well for the pleasures of sailing the Lagoon.
