Wally B - Luxury sailing yacht charter Mediterranean

Crewed sail yacht charter with Wally B in Mediterranean

Designed by Luca Brenta & C, she combines the latest in hi-tech sailing innovations with an interior of unique and functional beauty with modern and natural materials. She has clean, clear lines and manoeuvres like a small sailing dinghy whilst having all the features of a luxury sailing yacht.

The interior designers at Lazzarini Pickering Architects together with Luca Brenta & C have respected the beauty of the hull itself by leaving the black carbon fibre visible and keeping a minimalistic open plan. The mixture of the black carbon fibre, stainless steel, wood and Italian leather gives an exceptional modern and yet warm atmosphere.
