### Fairline Squadron 74 Luxury Yacht charter Croatia

Fairline Squadron 74 is 2006 /2007 addition to yacht charter offer in Croatia. She is a really large, spacious family, flybridge cruising motor yacht with excellent amenities and equipment no doubt, for ex. with flip of a switch, half of the integral, teak-soleed swim platform raises to reveal the transom garage, which houses the jet-drive RIB tender. The platform itself is surrounded by a rail for safety.

Word from builder/ shipyard : " Everything we've learned in building fine motors yachts is embodied in the award-winning Squadron 74. From the thoroughly proven sea-going hull form to the smallest detail of the cabinetry, we have drawn on the lessons learned across 10,000 Fairlin boats to create a grand luxe motor yacht quite without peer. From design concept to computer model to full-size walk through mock-up, absolutely nothing has been left to chance; every inch of this boat fits a precise design purpose. Quite simply, the Squadron 74 is the embodiment of what a luxury performance motor yacht should be; and without equal "
