What makes "ALTA" different? She is 124.8ft in length but has exceptional accommodation for ten guests. Not only that, the yacht has a magnificent sun lounge opening out to one of the finest upper deck dining areas you could wish for. Add to this the wonderful choice of watersports equipment, luxurious interior, superb crew under and you have a combination that can only mean one thing - a cruise that is not only memorable but also one you will wish to repeat, as many guests already have.
