Allegria

Luxury yacht charter France Italy Greece Croatia Caribbean

Allegria which means "joy" or "happiness" in Italian--was built in Holland at the premier Hakvoort Shipyards in 2004.

Allegria is one of the highest quality megayachts in the world today, with world cruising range, 24/7 Internet service, extensive entertainment, including one of the most impressive collections of on-demand movies and music around, and virtually unlimited fun and relaxation at your fingertips.

Allegria sleeps 10-11 in five beautifully appointed ensuite staterooms. Located on the main deck, the full-width master suite offers luxurious privacy. The master includes a study area, a walk-in closet and dressing room. The stunning master bath, overflowing with diaspro marble, features a large Jacuzzi, rain shower and etched glass. Accommodations for eight additional guests are on the lower deck in three VIP suites and one twin stateroom with Pullman, all with ensuite bathrooms. The guest quarters also house a treadmill and other exercise equipment. All four guest staterooms feature fine marbles and cherry and maple burl woods and are equipped with state-of-the-art entertainment and music systems.

The two aft decks--on the main and upper decks--call out for al fresco entertaining, while the open-air top deck beckons with Jacuzzi, grill, sun pads, bar, chaise lounges, and even a hammock. The high-tech pilothouse anchors the upper deck, forward of a comfortable sky lounge that doubles as a movie theatre with a 112" drop screen and full surround sound. The spacious and elegant main salon on the main deck contains a full bar, game table, and circular seating area.

With the utmost in comfort, privacy, and security, you can do as much or as little as you like. The highly experienced international crew will help make your wishes come true. Languish over lunch on a private beach. Have breakfast in bed or a tasting of fine champagnes. Enjoy a quiet dinner for two lit by stars and candles on the top deck or host a large group with a buffet on the aft deck. Play with the kayaks and water toys. Dive with underwater scooters. Find a secluded anchorage. Stare at the stars and the sea. Jump off of the bow. Movies, music, communications, and the Internet are available on-demand, so you can be as connected as you want to be or completely unplugged.

A professional chef and three stewardesses are dedicated to bringing you the highest level of service possible. Whether you crave a mojito in the Jacuzzi or Cristal in the dining salon, the crew will meet your every desire with professionalism and flair. The chef turns out impressive breakfast buffets to help you greet the day, with a commercial Italian espresso machine for coffee lovers. In the evening, dress up or down and enjoy a multi-course gourmet meal on elegant china and fine wines from around the world. Stewardesses provide nightly turn-down service with freshly pressed linens; rooms are cleaned twice daily; laundry is done daily. Molton Brown bath products are available in all guest rooms.

All crew members are dedicated to providing exceptional service and to creating unique and unforgettable experiences for guests.
