She offers accommodation for 10 guests in 5 generously-sized cabins. Located forward on the main deck, the master stateroom is accessed through a private reception / office area, which can be closed off from the suite if desired. Well appointed guest accommodation is comprised of two twin cabins with oversize single beds and a Pullman each, and two double cabins.

Function and flexibility underscores the design of the yacht main saloon and dining room, with seating for 12. As dinner is taken, guests may enjoy the uninterrupted view running through the saloon and out to the main deck.

In these instances, guests may choose to enjoy a film screened on the plasma screen in the saloon.

For al fresco dining, the upper deck is the main option with a covered table and seating for 12, while the sundeck also offers a smaller, less formal table arrangement. Teak decking, loungers and umbrellas make the large sundeck a very welcoming and relaxing area, with plenty of space both in the sun and the shade.

A whirlpool spa and bar complete the facilities on this well-appointed, spacious deck.
