<b>Speed:</b>	15.0 Knots

Fathom

Luxury yacht charter France Sardinia Corsica Italy

A 45-meter super-yacht that journeys to the most exotic locales, Fathom is also a destination in and of itself. Manufactured by Sea Dreams, this Dream Voyager 45 model motor-yacht has been customized with stunning interiors by Mark Zeff of Zeff Design—the visionary New York agency behind luxury boutique hotels and exclusive homes throughout the world. In keeping with the Zeff boutique heritage, every element of Fathom is bespoke and painstakingly executed, from the artfully sculpted all-steel hull to decks outfitted in hand-selected planks of old-growth plantation teak.

## Accommodation

The main deck salon envelops you in a world of quiet opulence. Nuanced colors, rich wood finishes, and resplendent hand-knotted silk carpets create the feel of a luxuriously appointed home. Exquisite seating upholstered in the softest leathers and silks was crafted by Tresserra and other top European ateliers. A marble-topped table seats 10 for meals prepared in the restaurant-grade galley with large butler's pantry.

Past the fully equipped office is an oversized master suite stretching from port to starboard. Ceilings and floors bathed in white silk cocoon a king-sized bed whose footboard hides a retractable plasma-screen TV. The suite offers separate dressing areas and a spa-like bathroom with marble walls, soothing river-rock floors, and fixtures by British supplier J.D. Beardmore.

On the lower deck are three bespoke guest rooms, accessed via an LED-lit hallway with chic metal-rib details modeled on antique dirigible construction techniques. Guest accommodation features en-suite baths and regionally inspired decors tailored with exotic materials like bamboo, leather panels, and red handmade rice wallpaper.

Billowing sheers, hand-stitched cowhide rugs, and an array of nautical antiques in mahogany cabinets lend the upper deck salon a lounge like vibe. The refined space converts to a screening room courtesy of a motorized, roll-down projection screen with surround-sound audio and state-of-the-art, high-definition video equipment. From the comfort of the white soft leather lounge or deep club chairs, enjoy your choice of films selected from Fathom's comprehensive on-demand video system

## Technical Specifications :

LOA : 45.00 m (147'6"ft )

Beam : 8.50 m (27'8" ft )

Draft : 2.70 m (8'86"ft )

#### Electronics :

Fathom's AV capabilities—including an integrated sound system with full exterior network, allow guests to program music locally or globally and even enjoy live DJ performances. The vessel is a technophile's dream, with iPod docking stations throughout as well as underwater cameras with viewing capability at all TV locations. The yacht also has a custom security system, wi-fi capabilities, zero-speed stabilizers, ultrafog sprinklers, and a wheel house equipped with the most advanced navigation and communication equipment.

#### Sea Toys :

Above is the fly bridge's air-conditioned gym, with a Spazioforma treadmill, Crossforma professional cross-training machine, yoga mats, and free weights that can be hidden behind folding mirrored doors.

At the pinnacle of the adjacent deck is an 8-person hot tub poised to survey the endless azure waters. You can also engage with the sea on a top-range Novurania EQ500lp tender for waterskiing or diving as well as two Yamaha VX1100 wave runners.
