Beam:	7.60 m (24'93" ft)
Draft:	2.70 m (8'86"ft)
Built:	2005
Shipyard:	Rodriquez Cantieri
Cabins:	5
Passenger Capacity:	10
Crew:	6
Speed:	17.0 Knots

Light Blue

Yacht charter France Sardinia Corsica Italy

The custom 38 brings together three important names in Yachts: Rodriquez Cantieri Navali with their experience building ships that spans more than a century; Francesco Paszkowski with his innovative approach to design; and Rodriquez Yachts with their overall creativity and interior design solutions. The overall lines of Light Blue were conceived to echo the grace and beauty of a swan in that she should be graceful yet powerful and exude an air of elegance as would be expected from such an important yacht. From the top level industrially designed furniture and fittings to the soft, clean, modern and functional accessories, the interior ambiance creates a comfortable and pleasurable place to be. The lighting throughout tastefully brings to life the cream and sand tones as well as accentuates the dark tones

The yacht has three decks. The lower deck is taken up by the night area for owner and guests, with the crew's quarters at the forward.

Yacht can accommodate 10 guests in 5 cabins.

The master cabin stretches from amidships to the engine room and exploits the entire width of the hull. There is an office corner, a sofa, a dressing area, a spacious bathroom and a wardrobe.

There are two identical cabins amidships with private bathroom and twin beds. Further forward there are another two, mirror-image cabins but with double beds and each with its private bathroom.

Quarters of the main deck is occupied by relaxation areas, including the spacious cockpit which is completely sheltered by the projection of the superstructure. Access to the aft sundeck is by two stairways at the sides.

The dining area in the forward section is divided from the sofa area by a structure housing a daytime bathroom and the stairway that links the decks, as well as a large bulkhead screen facing the sofas.

The amidships section of this deck is occupied by another saloon with sofas, armchairs, latest generation audiovisual systems, a bar and the spectacle offered by the great windows.

Outside, in the zone aft, there is an open air living area and a sundeck further aft with very large cushions and moveable tables.

In regards to technical aspect of Light Blue, a superyacht with a semi-planing sharp bottom aluminium hull that can reach a maximum speed of 20 knots. At a cruising speed of 17 knots she has a range of 1500 miles, powered by two 2.130 HP Caterpillar 3512B engines coupled to fixed pitch screws in V-drive. All the monitoring and control equipment, as well as the stabilisation systems, are the work of Rodriquez Marine System, employing the technology used for the latest generation high speed vessels the yard builds. Another noteworthy element is the reduction of noise and vibrations through the adoption of a particularly flexible structure in aluminium that guarantees high absorption of these phenomena throughout the vessel.

All crew members are dedicated to providing exceptional service and to creating unique and unforgettable yacht charter experiences for guests.

Technical Specifications :

LOA : 37.80 m (124'2"ft)

Beam : 7.60 m (24'93" ft)

Draft : 2.70 m (8'86"ft)

Built : 2005

Shipyard/Builder : Rodriquez Cantieri Navali

Type : Motor Yacht Ocean Going

Displacement : 158 T
Commercial : ISM
Naval Architect : Francesco Paszkowski
Design: Rodriquez Yachts
Hull Material : Aluminium
Superstructure : Aluminium
Engines : 2 x Caterpillar 2130 HP - 3512B
Fuel Consumption : 700 lt/hr
Generators : 2 x Caterpillar
Bow/Sternthrusters : Yes
Stabilisers : Rodriquez Marine System
Fuel capacity : 36.000 litres
Fresh-water capacity : 7.000 litres
Air Condition : Entire Yacht with Individual Cabins Controls
Top Speed : 20 Knots
Cruise Speed : about 17 Knots
Range : 1.500 (17 Knots speed) Nm
Guests : 10
Cabins : 5 (Master cabin + 2 double cabins +2 twin cabin)
Crew : 6 (sleep in separate crew quarters : dinette, cabins with heads)

Sea Toys :

1 x 4.20 m Zodiac
1 x 3 person Wave Runner
1 x Water skis
Snorkelling equipment
Towable toys
