Dufour 525 Grand Large

Sailing Croatia charter with NYC

Newest addition to Croatia charter fleet !

The new flagship of the Dufour fleet offers, besides supreme sailing performances, excellent comfort in her every part. In spite of the size, she is easy manageable by only two-member crew. They are helped by the harmoniously designed deck and well-dimensioned and intelligibly arranged deck equipment in which especially salient are very original and unique aft deck, bow sprit, cunning transom revealing a great volume for dinghy and liferaft, uncluttered deck with large side decks, very elegant and dynamic roof (discreet and exceptionally flat), all manoeuvres lead to the cockpit under deck for more comfort and safety and last but not least, the double steering wheel system.

This sailing boat is intended for long cruises on all seas and oceans, which is evident from large raw water tanks.

The yacht has 4 cabins, galley in length or in L shape and skipper cabin. Most satisfied with comfort will be the skipper who has a large working place and plenty of space for navigational electronics.

The saloon is luminous and warm, thanks to the numerous portlights and the creative woodwork. The Dufour 525 Grand Large offers an absolute comfort with dedicated spaces for optional equipment.
