## Rosehearty – Perini Navi Ketch

Rosehearty is one of the spectacular new additions to the Perini Navi Owner's fleet, available for yacht charter. She is third 56-meter and has evolved into an aluminum sailing masterpiece. Her high performance hull lines have been optimized with consultation from Ron Holland Design. She sports aluminium masts and carbon furling booms with the latest in-boom furling for mainsail and mizzen and the trademark Perini captive reel winches, all designed and built by Perini Navi.

### Accommodations

Rosehearty's stunning interior was designed by famous French designer Christian Liagre that combines both tradition and contemporary flair. Her six suites provide flexibility for up to 12 guests and include a Full beam master suite with King Bed and sitting area, two identical Queen berth cabins each with single berths and additional pullmans, and the 6th cabin is an equally appointed upper/lower cabin which is ideal for children or staff.
