Stunning Predator 108, offers the scale of a large yacht and the performance of a sport cruiser.

The cockpit house is a central dinette with table and perimeter seating and a sundeck astern, while the alternative version has this outside area used for a dining/relaxation zone to port with a galley/bar corner opposite. In the bow there is a Jacuzzi surrounded by numerous sunbathing cushions. Saloon astern, galley, dining area and control bridge are at first deck. The Predator 108 also has an electric sliding Hard Top, meaning that it only takes a few seconds to turn the area inside the deckhouse into a cool, sunny zone.

Master cabin has an en-suite bathroom, 42-inch flat-screen TV, office corner, relaxation corner and walk-in wardrobe. Forwards of this there is a small leisure zone comprising a sofa to starboard and an office corner to port side.

The other staterooms — a roomy VIP forward and two smaller twin cabins to port and starboard — Needless to say, each cabin has its own separate head with shower, as well and amenities such as : flat-screen LCD, DVD system, Stereo ..

The crew's quarters are in the stern area with two bunks with bathroom and galley.
