Ferretti 780

Yacht charter Croatia from Dubrovnik or Split on board Ferretti 780. Professional crew is guarantee for unforgettable Croatia charter cruising experience. Excellent choice for your next nautical holidays in Croatia.

Entering from the cockpit in the Ferretti 780 salon, it is can be readily perceived that the layout of the furnishings endows the living area, fitted with highly sophisticated audiovisual equipment, with an unprecedented degree of comfort. The layout, with the access ladder to the flying bridge built into the topside of the yacht offers an uninterrupted visual solution, from stern to bow. The dining area, separated from the salon floor by a step, is equipped with table for eight people, while under the stairway there is room for a wine cabinet.

From the dining area, it is possible to go starboard to reach the pilot house or the stairway leading to the lower deck; on the port side, with large galley with teak furnishings and a exit door that enables the crew to avoid the salon, thereby respecting the privacy of the guests.

The wheelhouse, is fitted with all the latest-generation technology that is the distinguishing Ferretti Yachts:. To the side of the helm station, a comfortable L shaped sofa enables the guests to share the pleasure of cruising with his family or friends. A pull-out table close to the sofa creates a comfortable dinette.

The lower deck accommodates the master cabin, located on the port side and totally sound-proofed from the engine room thanks to the interposition of the crew quarters and the tank.

The master cabin has two open-view windows with presents a big sliding door in order to separate the bath area from the room. The cabin is then very light and it allows to view the sea while comfortably lying on a chaise longue or from the bathroom, equipped with a wide shower.

A washbasin, positioned in front of the open-view window, is topped by a double sliding mirror, that is also used to darken the huge window. The cabin, which is very spacious, includes a more intimate zone accommodating a walk-in-closet and a vanity with a pull out desk, while the bed is flanked by two suspended night tables, with reading lights built into them.

In the bow area, a comfortable VIP cabin is furnished with a double bed and two wardrobes.

Two guest cabins are fitted with one twin bed and the cabin on the port side is fitted with a double bed .

Each cabin aboard the Ferretti 780 has a bathroom with a shower stall fitted with tempered glass panels i.e. ensuite.

As for outdoor space, on the Ferretti 780 there are plenty of opportunities to enjoy the sun in total comfort .Astern, a spacious bridge accommodates a teak table with four chairs and a small sofa.

Ferretti 780 has the electrically opening aft/stern garage, which, besides it's purpose for a storage of jet-ski / tender, converts into a beach lined with teak and accessible thanks to two side ladders.

Ferretti 780 available for charter in Croatia has also ARG¹ or Anti Rolling Gyro, produces a gyroscopic momentum within the vessel that reduces the rolling motion known as "Rolling Angular Velocity". By using this high tech stabilization system you will not even feel sea sickness.
