Mumu Sailing Sloop

Yacht charter Croatia Adriatic Greece Turkey Mediterranean

MUMU is a high performance sloop, which is fast and easy to sail. She is an exotic beauty sure to turn heads in every port. Her contemporary classic lines will remain timeless. She is designed by Philippe Briand with exterior styling by R.B. Dereli and interior styling by A.C. T Studio. She features a High Modulus engineered composite hull and superstructure. Light combined with warm colours and the wood interior make an especially inviting modern design. Below deck, relax with a full-beam main saloon and an elegant dining area with seating for eight. Her light and spacious saloon is an ideal setting for entertaining or relaxing. A range of deck spaces give sun lovers the opportunity to bask in privacy. The spacious aft deck offering a dining area for up to 10 guests, covered by a bimini and a cosy seating area with an awning in front of the steering cockpit. MUMU accommodates six to seven guests in 3 double cabins and one twin bed cabin. All cabins have en-suite facilities. A wide choice of water sports ensures you can explore and enjoy your cruising destination to the full.
