Shipyard:	Tecnomar Italy
Cabins:	4
Passenger Capacity:	8+1
Crew:	3+1
Speed:	25.0 Knots

Tecnomar Velvet 35

Luxury yacht charter Croatia on board Tecnomar Velvet 35 from Dubrovnik and Split

Feel the adrenalin !!!

Tecnomar is imposing 35 metres yacht, with the name "Velvet". Her lines are very sporty , and the interiors are refined and carefully executed, perfectly matching the overall aesthetics of the boat. To all effects the Velvet 35 follows the "coupé" approach adopted by many with regard to large size opens, interpreting the concept with the almost sinuous lines of the above deck area.

Emphasis has been placed on the cockpit where, over and above a second sundeck, there is a dinette for 8 on facing seats, equipped with fridge and icemaker etc. for meals outdoors.

This area, like the teak deck, is linked with both the bridge and the saloon by means of a four door entrance. The saloon roof can be opened by an electro-hydraulic servomechanism which of course also closes the area perfectly when air-conditioning is required.

Master cabin is located at stern with shower facilities for two persons, and dressing room. There's a dressing table corner and a comfortable sofa.

The two guest cabins are amidships, both with twin beds and bathroom with separate shower.

The one on the starboard side is slightly larger, designed to accommodate a third 'Pullman' bed and furnished with a desk for any guest intending to work on board or for children's games.

Forward, separated by a door in the corridor, is the VIP cabin, also very large and with a private bathroom which, however, is also accessible from the corridor itself so it may be used as a 'day toilette'.

Main deck is divided into two areas: the living area is aft and consists of an L- shaped sofa and, opposite it, another sofa along the starboard side. Next to the latter there is a unit which incorporates a 50" plasma TV.

The dining area, with a table seating 12, is forward on the port side while the wheelhouse is on the starboard side.

LOA : 34.20m (112'2 ft)

Beam : 7.20m (23'62 ft)

Draft : 2.10m (6'89 ft)

Built : 2004

Shipyard/Builder : Tecnomar S.r.L Italy

Type : Motor Yacht

Displacement : 115.000 Half Load /130.000kg Full Load
