Cranchi Atlantique 50

Yacht charter Greece

The Cranchi Atlantique 50 is the largest of flybridge motor yacht series that Italian boatyard produce. Despite the elegance of the yacht, there is plenty of solid construction and performance attributes that make the 50 one of the safest and stable flybridge boats on the market today. Further, the engines are mounted low and forward amid ship along the axis line which also contributes to incredible stability and performance of this vessel.

Cranchi 50 FLY can accommodate 6 guests in 3 cabins, 2 double cabins and one twin cabin. All cabins are fully air conditioned.

As you board the boat you will notice the teak cockpit sole and swim platform which provides plenty of room for lounging and entertaining. The seating in this area are excellent and provide easy access to the ladder for the flybridge or for a stroll around to the front.

The lockable stainless steel sliding doors glide effortlessly as you enter the salon. Once inside, the cherry wood fit and finish is striking and is complimented with leather sofas and modular seating. The lower helm station features a double wide Captain's chair and due to the characteristics of very little bow lift, provides comfort and excellent visibility. The fully complimented galley is uniquely and conveniently located on the same level adjacent to the Captain's chair. On the lower level there are three staterooms on board with two full featured heads. Plenty of headroom, Indirect lighting and stunning cherry wood cabinets and curved doors provide elegance with a nautical ambience.

It has a GRP hull and superstructures, driven by two VOLVO each 575 HP, reaches a cruise speed of about 23 knots.
